

Attention Midwest Deer Hunters

Team Southern Deer Stands is heading your Direction

And only 2 ¼ inches stands between you and your Deer

Well that's 2 ¼" of insulation. Southern Deer Stands Luxury Deer blinds are the **only** blinds constructed with 100% Aluminum insulated panel construction – no rust no rot...period. Throw away the ladder stand you won't use it anymore and forget the cold, the rain the wind. With a Southern Deer Stands blind you will stay in the field longer and enjoy it more. Designed and built to last a lifetime while providing comfort.
