

Extreme 270 View Cantilever Blind

Our Extreme 270 View Cantilever Blind offers the best of both worlds – concealment and open access to your field of view, which is accomplished with the elimination of the front window corner posts. Made of durable steel sheeting and features a full size locking door with more than 270 degree views from the blind. We offer many upgrade packages such as window concealment options and other customizations for your dream blind. You will find the Extreme 270 View Cantilever Blind will soon become your favorite go to blind on your property.
