

Extreme Hunt Bicycle

Radical, extreme, stealth, versatile and did we mention that the Extreme Hunt Bicycle folds up for compact storage. What's there not to like, it cost less than an ATV and does not require any gas. You have to own one of these babies, not only can you cover more ground quicker you can also safely carry your bow, rifle or fishing poles to your quarry and keep in shape at the same time. This will be one of the best hunting investments you will ever make and will enjoy all year.
